A photograph of three students walking on a modern university walkway. The walkway is made of dark wood and has a glass railing. The students are a young man in a blue hoodie, a young man in a black vest, and a young woman in a pink top. They are all smiling and looking towards the camera. The background shows a modern building with a wooden facade and a clear blue sky.

**WHY STUDY
AT NAVITAS?**

WELCOME TO NAVITAS

Navitas is a leading global education provider of pre-university and university programs, English language courses, migrant education and settlement services, creative media education, student recruitment and corporate training services. There are currently more than 83,000 Navitas students across a network of over 100 colleges and campuses in 23 countries.

The Navitas group was founded in 1994 in Perth to help international students succeed at university in Australia through increased student support and an extended academic year. Each year, thousands of students choose to study with Navitas to learn English, access higher education studies, prepare for their future careers and broaden their opportunities in life.

Courses are tailored to meet the specific needs of students, and range from fast-track academic studies to additional English language support. Flexible entry dates mean you can begin your course at a time that best suits you. With a choice of exciting multicultural study destinations, our students have the chance to experience the beaches and rainforests of Australia, the mountains and lakes of Canada, the cultural heritage of the UK or the diverse landscape of the USA.

By choosing Navitas, you'll be able to unlock your learning potential and prepare for your future career.

Navitas offers:

- English language training
- High school studies
- University preparation
- University programs
- Creative media programs
- Career advancement programs
- Migrant settlement services

The Navitas advantage:

- Quality education and training
- A supportive community
- Flexible study options
- Multiple intakes each year
- A wide range of programs and locations
- Internationally recognised partner universities

Choose your location: something for everyone

Navitas campuses are located in some of the world's most exciting destinations. This offers students a fantastic opportunity to experience the city, culture and lifestyle of their choice.

Australia

With a unique teaching style that encourages students to be innovative and creative, Australia is ranked as one of the world's top study destinations. Australia offers something for everyone: vibrant cities, tropical rainforests, barren deserts, sparkling snowfields and some of the most beautiful beaches on earth.

Canada

As a popular destination for international students, Canada has a long tradition of welcoming people from around the globe. It also has one of the world's best standards of living and is famous for its breathtaking natural attractions and fascinating cities.

Singapore

Renowned for its uniqueness, Singapore also has a reputation for being extremely safe, secure and clean. A dynamic destination rich in contrast and colour, you'll find a harmonious blend of East and West within Singapore's culture, cuisine, arts and architecture.

UK

The UK's centuries-old tradition of higher education has produced some of the world's greatest leaders and thinkers. London is one of the world's most cosmopolitan cities, and the UK's 250,000 international students add to the country's ethnic diversity and cultural richness.

USA

More international students come to the USA than to any other nation to pursue their studies and gain a world-class education. With a long history of mass immigration, the USA is a melting pot of global culture, and its landscape ranges from densely populated cities to vast and uninhabited areas of natural beauty.

UNIVERSITY PROGRAMS

Navitas is a trusted and experienced education provider, with more than 15 years' experience delivering superior educational programs around the world. Navitas colleges operate in partnership with leading universities to provide you with direct pathways to undergraduate and postgraduate studies.

Most Navitas colleges are located on the campuses of our leading partner universities in Australia, Canada, Singapore, the UK and the USA. As a Navitas student you'll have access to all university facilities and services while experiencing the campus lifestyle.

Most Navitas colleges are located on the campuses of our partner universities in Australia, Canada, Singapore, the UK and the USA. As a Navitas student you'll have access to all university facilities and services while experiencing the campus lifestyle.

Our small class sizes offer greater academic support and more opportunities to interact with your instructors. Many instructors at Navitas colleges also teach at our partner universities, ensuring you get the same high-quality teaching as other university students.

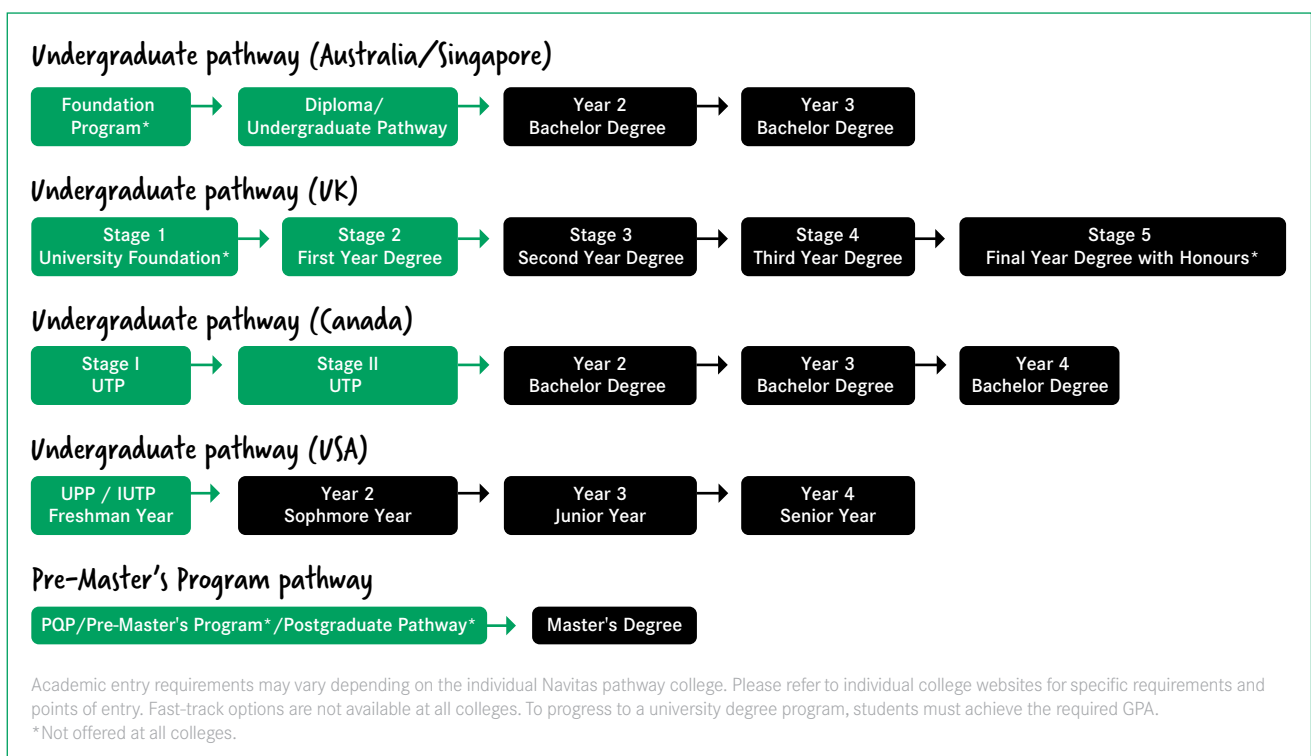

A Navitas undergraduate pathway program is equivalent to the first year of a bachelor's degree at one of our partner universities. If you successfully complete the pathway program and other requirements, you will be

eligible to enter second year of the degree program at that university.

A number of Navitas colleges also offer postgraduate pathway programs in a range of disciplines – visit navitas.com for more details.

ENGLISH LANGUAGE STUDIES

Navitas English is one of Australia's largest and most respected providers of English language studies, operating in 18 Australian locations and in Singapore. We offer English language tuition and teacher training to domestic and international students, as well as settlement services to migrants and refugees in Australia. Navitas English employs over 1,000 dedicated staff and delivers programs to more than 25,000 students and clients from 90 countries each year.

With centres in Sydney, Bondi, Manly, Brisbane, Perth, Cairns and Darwin, Navitas English offers the most comprehensive range of English programs and the widest choice of destinations in Australia.

Navitas English has direct-entry agreements with over 50 Australian universities and vocational providers. We deliver English language teaching to international students for Charles Darwin University and are endorsed by the University of Melbourne as a provider of English language preparation courses for academic studies, through our Hawthorn–Melbourne campus.

The Australian TESOL Training Centre is our teacher-training unit. It has been operating since 1983 and became the first training institution in Australia to offer courses leading to University of Cambridge ESOL, Certificate in English Language Teaching to Adults (CELTA) and Diploma in English Language Teaching to Adults (DELTA) qualifications. We also offer teacher-training courses for non-native speakers of English who are interested in becoming English language teachers in their own country.

Our programs for international students:

- General English (day and evening)
- Academic English
- Intensive Academic English
- English for Work
- IELTS Preparation
- Pearson Preparation

- Cambridge Preparation
- TOEIC Preparation
- Business English
- English for TESOL
- TESOL English for Teaching Children
- TESOL English for Teaching Teenagers
- Certificate IV in TESOL
- Study tours
- International Junior Program
- High School Preparation

Authorised Test Centres

The following centres administer both the general and academic International English Language Testing System (IELTS) exams regularly throughout the year:

- Navitas English – Sydney
- Hawthorn – Melbourne
- CELUSA – Adelaide
- ECAE – Adelaide
- La Trobe – Melbourne
- PIBT English Language Centre – Perth

Navitas English also administers Pearson Test of English (PTE) Academic and Cambridge ESOL examinations at locations across Australia.

CELUSA

The Centre for English Language at the University of South Australia (CELUSA) specialises in high-quality English language preparation programs for international undergraduate and postgraduate students. CELUSA students can continue their studies at the University of South Australia, University College London (UCL) in Adelaide, the South Australian Institute of Business and Technology (SAIBT) or Le Cordon Bleu (Adelaide Academy of Hospitality).

ECAE

Eynesbury College Academy of English (ECAE) is a modern and dynamic educational institution offering high-quality programs that prepare students for a wide range of advanced courses at Eynesbury and other institutions. ECAE provides a pathway to all of Eynesbury's academic programs, including senior high school, foundation studies, Certificate IV and diploma programs.

La Trobe Melbourne

La Trobe Melbourne offers a range of English Language Intensive Courses for Overseas Students (ELICOS). These include General English programs, Academic English programs and English programs for specific purposes. Students enjoy the facilities of La Trobe University's Bundeena campus, one of the largest and most attractive campuses in Australia.

PIBT

The Perth Institute of Business and Technology (PIBT) English Language Centre provides English courses for people from non-English-speaking backgrounds and direct entry pathways for international students wishing to undertake university studies. Students are based at Edith Cowan University's Mount Lawley campus and have access to a wide variety of services and social activities.

"The aim of my studies is to master my English before going to higher education in Australia, and I feel I'm well on the way! Brisbane is a pleasant and compact city, with a very vibrant student life. I have taken part in so many parties and excursions organised by Navitas English, and have had great fun! The campus is very spacious and there are plenty of available computers. Overall, I'm very glad to recommend Navitas English for its

"My main motivation to study film at SAE is because of the many careers you can attain from just one course. Small ideas of short films over the years are now becoming reality and my initial idea to start my own production company constantly grows as I understand more of the film business. The skills I gain at SAE will help me

fulfill my professional goals

by giving me a wide range of tools over a broad range of careers."
